

# Wetcovac

Strong entry. Strong price.

Cleaning Excellence  
Trusted Swiss Quality

wetrok®

# Quiet. Light. Great value for money. Convincing in use and in detail.

The Wetcovac is the ideal door opener to the Wetrok world: a high-quality dry vacuum cleaner that scores with surprisingly high performance and a fair price. Whether for smaller cleaning jobs, quick in between use or as a supplement to existing appliances – the vacuum cleaner impresses with its low weight, high efficiency and well thought-out functions. It is quiet in operation, hygienic in handling and robust in everyday use.

## Wetcovac dry vacuum cleaners – your benefits at a glance:

### Top price-performance ratio:

- High-quality processing at an attractive entry-level price
- Ideal as a second appliance or supplement for smaller applications

### Light & flexible:

- Particularly comfortable to carry at just 4.2 kg
- Quickly at hand for spontaneous use

### Large volume and good hygiene:

- 7-litre dust bag for longer operating intervals
- HEPA 13 filter basket for clean air

### Powerful and quiet:

- 700 watt motor for strong suction power
- Only 60 dB volume – ideal for hotels, hospitals and offices

### Practical and well thought out:

- 10 m mains cable and 2 m non-slip suction hose
- Accessory slots and large foot pedal for operation without bending down
